## **THE TEACHERS' DAY**

Our school always celebrates Teacher's day. Each year, students prepare something special for all the teachers to make them happy and smiling.

In the morning when they arrive at school, teachers receive beautiful flowers. Then they leave their children in classes with senior students who are learning from 9 to 12 class, to let them teach younger kids for one lesson (40 minutes).

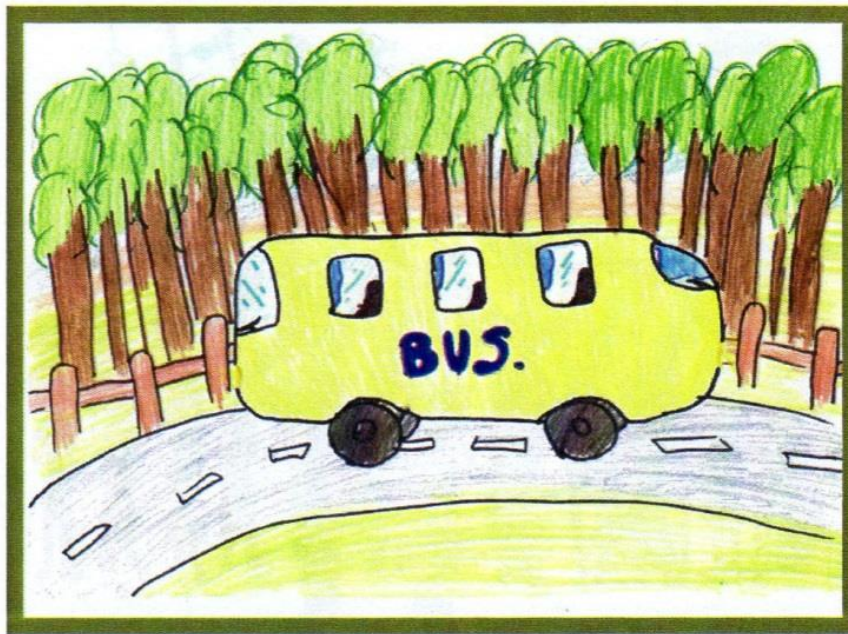

While senior students teach these lessons, teachers have an event organized by the Primary Authority. This year the event was very interesting- we saw a movie where teachers and students were asked the same questions, and then the answers were compared. It was funny and heard laughing.

In my opinion Teacher's day in our school is important, it is the day when students wish to thank the teachers- giving flowers, gifts and good emotions.

Our school has the best teachers- they take care of us, love us and always help with good advice.

## **MY CLASS EXCURSION**

Two times a year we go to excursions. It's very interesting, because every time we go to different places and have a lot of emotions. I think the best of all was when we went to "Skaņaiskalns", after that we went to the sea. We couldn't swim, but anyway it was fun. Also I liked excursion to Lievarde science center. It was interesting too. We saw weird and interesting things. But still anyone excursion is the best.

### **MY SCHOOL CELEBRATION**

It was December and it was very close to Christmas! My class was practicing for a school play. We didn't have a lot of practices but it was still great! My role was a witch.

Before we showed the Christmas play, we had to buy presents for a classmate.

It was the day when we had to show our play! Our parents, grandparents, sisters and brothers saw it and I think they liked it! Some children sang songs, played songs on instruments and said nice things to everyone.

That was my class celebration for Christmas!

## **MY DREAM SCHOOL - OGRE PRIMARY SCHOOL**

Ogre Primary school is the best school ever!

There are many smart children and nice teachers.

Our school has brilliant results at sport. Our school's canteen serves the best food in the world.

If I were a teacher, I would love teaching at Ogre primary school, for sure.

In the future, I will be an English teacher at Ogre Primary school because, as a pupil, I see how well our teachers teach English to children. I like the way they do that.

## **MY FIRST SCHOOL DAY**

I remember my first school day as it was yesterday. Kids were waiting for this day very much. I woke up very early, dressed up and had breakfast. My mum made me a beautiful hairstyle. I put on a white blouse and black sarafan, took flowers and went to the school.

The building of the school seemed very big to me. Senior students presented our classroom to us-class 1c.

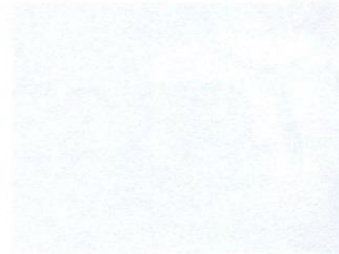

When I opened the door in the class, there was our teacher and 28 little kids standing and smiling. I saw my friends from kindergarten and sat next to her. Teacher gave to everyone small cloth butterflies, books and large beautiful greeting cards. We introduced ourselves to each other and went outdoors.

Directress of the school was giving a welcome speech there. After that, we went to the great stairs to make our first class picture.

Such was my first school day :)

## MY FAVOURITE LESSON

MY FAVOURITE LESSON IS **CRAFT**.

IT IS AT FRIDAY AND IT IS THE LAST LESSON IN THIS DAY.

WHAT DO WE DO THERE?

**CRAFT** IS MY FAVOURITE LESSON BECAUSE PUPILS HAVE A CHOISE WHAT TO DO. WE CAN BURN PAINTINGS INTO WOOD WITH PYROGRAPH, WE CAN ALSO CUT OUT WOODEN TOYS WITH SAW AND WE CAN ALSO FILE SOMETHING OUT FROM METAL (NOT SURE WHAT KIND OF METAL).

THE FIRST THING I MADE OUT OF METAL WAS A HEART (NECKLACE) FOR MY MOM AS A PRESENT IN INTERNATIONAL WOMEN'S DAY.

I LIKE MY TEACHER BECAUSE SHE'S POSITIVE AND OPTIMISTIC PERSON AND SHE ALWAYS CHEERS ME UP WHEN I'M DOWN WITH THE ATMOSPHERE SHE MAKES.
